EXPERIENCE

Paul Huisman Development, Rotterdam — *Freelance Senior Web Developer*

NOVEMBER 2018 - HEDEN

Building web solutions with a human-centered approach.

Dept, Rotterdam — *Sr. Web Developer*

JULY 2017 - OCTOBER 2018

Working on a variety of PHP projects as a senior developer, ranging from Laravel to WordPress.

Hoppering, Rotterdam — *Lead Developer*

MAY 2014 - JUNE 2017

As a lead developer I was responsible for the final technical product. Leading the developers in my team and working closely together with the internal project manager and the product owner (client) to get the best result possible.

Hoppering, Rotterdam — *Web Developer*

JUNE 2011 - APRIL 2014

Starting off as a young web developer after my graduation, first as a front-end developer, later focussing on backend.

Campagne, Rotterdam — *Front-end Web Developer*

JUNE 2009 - MAY 2010

Part-time working as a front-end developer during my studies.

PROJECTS

CMD The Hague — *Freelance Web Developer*

NOVEMBER 2018 | www.cmd-den Haag.nl

Building a new WordPress website (both back-end and front-end development) for CMD The Hague.

Walibi Ticketing API — *Senior PHP Developer at Dept Agency*

JANUARY 2018 - APRIL 2018 | www.walibi.nl/tickets

Connecting the frontend ticketing sales to a deprecated system which couldn't be cutout in a freshly build RESTful Laravel API. Guiding the entire ticket ordering flow through numerous routes, validations and services. Building in several queues and caching mechanisms to handle the load (at peak moments 400+ concurrent users).

Ecofont — *Senior PHP Developer at Dept Agency*

DECEMBER 2017 - JANUARY 2018 | www.ecofont.com

Drupal 8 e-commerce website with a custom written module to connect the sales to Mollie and Salesforce.

Sound & Vision Institute — *Senior PHP Developer at Dept Agency*

OCTOBER 2017 - DECEMBER 2017 | www.beeldengeluid.nl

New Drupal 8 portal site for Beeld & Geluid - The Netherlands Institute for Sound and Vision is the institute for media culture; an inspiring, creative and accessible meeting place for both private individuals and professionals.

KoersVO Schoolprofielen — *Lead Developer at Hoppinger*

JANUARY 2016 | (internal application - no url available)

Symfony2 application that connects all middle-schools in the region Zuid-Holland to prospect students / parents looking for options.

FrieslandCampina — *Lead Developer at Hoppinger*

JUNE 2016 | www.frieslandcampina.com

Building the corporate website for FrieslandCampina as a multisite platform with WordPress.

Deltares KennisOnline — *Lead Developer at Hoppinger*

OCTOBER 2016 | www.deltares.nl/nl/publicaties

Building a Rails application combined with ElasticSearch to continuously import and update thousands of articles from a knowledge network database to the corporate Deltares website.
